

Stylish RADIANCE

The IRIS™ Globe Cluster

The introduction of the **IRIS™** globe cluster light marks yet another milestone for TMS Lighting as we engage in lighting your surroundings with something subtle, yet impactful. The **IRIS™** makes itself an absolute darling to any space as its the perfect compliment to improving look, feel, and ambiance in a way that is creative, new, and superbly stunning!

The **IRIS™** is classy globe lighting that uses polished simplicity to bring radiance and distinction to your space! Some key features of the **IRIS™** are:

- The **IRIS™** comes in wide array of both circular and linear canopies that are sure to ignite your environment with a modern, rejuvenated look and feel!
- With options for both 4" and 5" diameter globes, the **IRIS™** works within a "sweet spot" of circular options whereas it never appears either too large or too small for both singular, circular, and linear options.
- To top it all off, the **IRIS™** is brought to you in a wide selection of standard and premium finishing, and customized color options that allow you to really bring a creative spark to your spaces with exceptional globe canopy lighting!

The **IRIS™** is simple, yet powerful lighting destined to upgrade your space.

Living Room | Professional Interior Revamp | Avant Garde

"The **IRIS™** is a sublime addition to environments where novelty, style, and illumination go together to deliver amazing results."
