

SIGN 7 | Sign Light

Gorgeous RADIANCE

The SIGN 7™ Sign Light

The **SIGN 7™** sign lighter is the definition of prestige outdoor sign & display lighting. It's perfection for outdoor sign lighting due to angles, its design, its reputable lumen output and its preeminence as the top quality sign lighter for impressing upon viewers that class and distinction is present. This **SIGN 7™** defines what it means to be a top quality lighting fixture.

The **SIGN 7™** is classy. This stunning outdoor, wall-mounted sign lighter brings a touch of premium wherever it's installed! Key features of the **SIGN 7™** are:

- The **SIGN 7™** works wonderfully well in a large selection of both standard, premium, and custom finishes. So much so, that it is often requested in premium finishes due to its simple, yet ravishing design.
- A 9" diameter is the perfect size for this wonderfully power sign and display lighting fixture. It emits radiance beautifully and is exactly why this fixture is often specified FIRST for outdoor projects both commercial and industrial.
- Surge suppression, remote mounting options, and exceptional energy efficiency has made the **SIGN 7™** an even more popular choice for those mesmerized by its beauty and its reputation for perfect outdoor lighting.

Cafe | Storefront Exterior | Sign Light

"The **SIGN 7™** has a distinctive 'aura' about it which lends itself well to defining an area as luxurious, premium, and high-class."
