

FIBONACCI L | Pendant

Linear EXCELLENCE

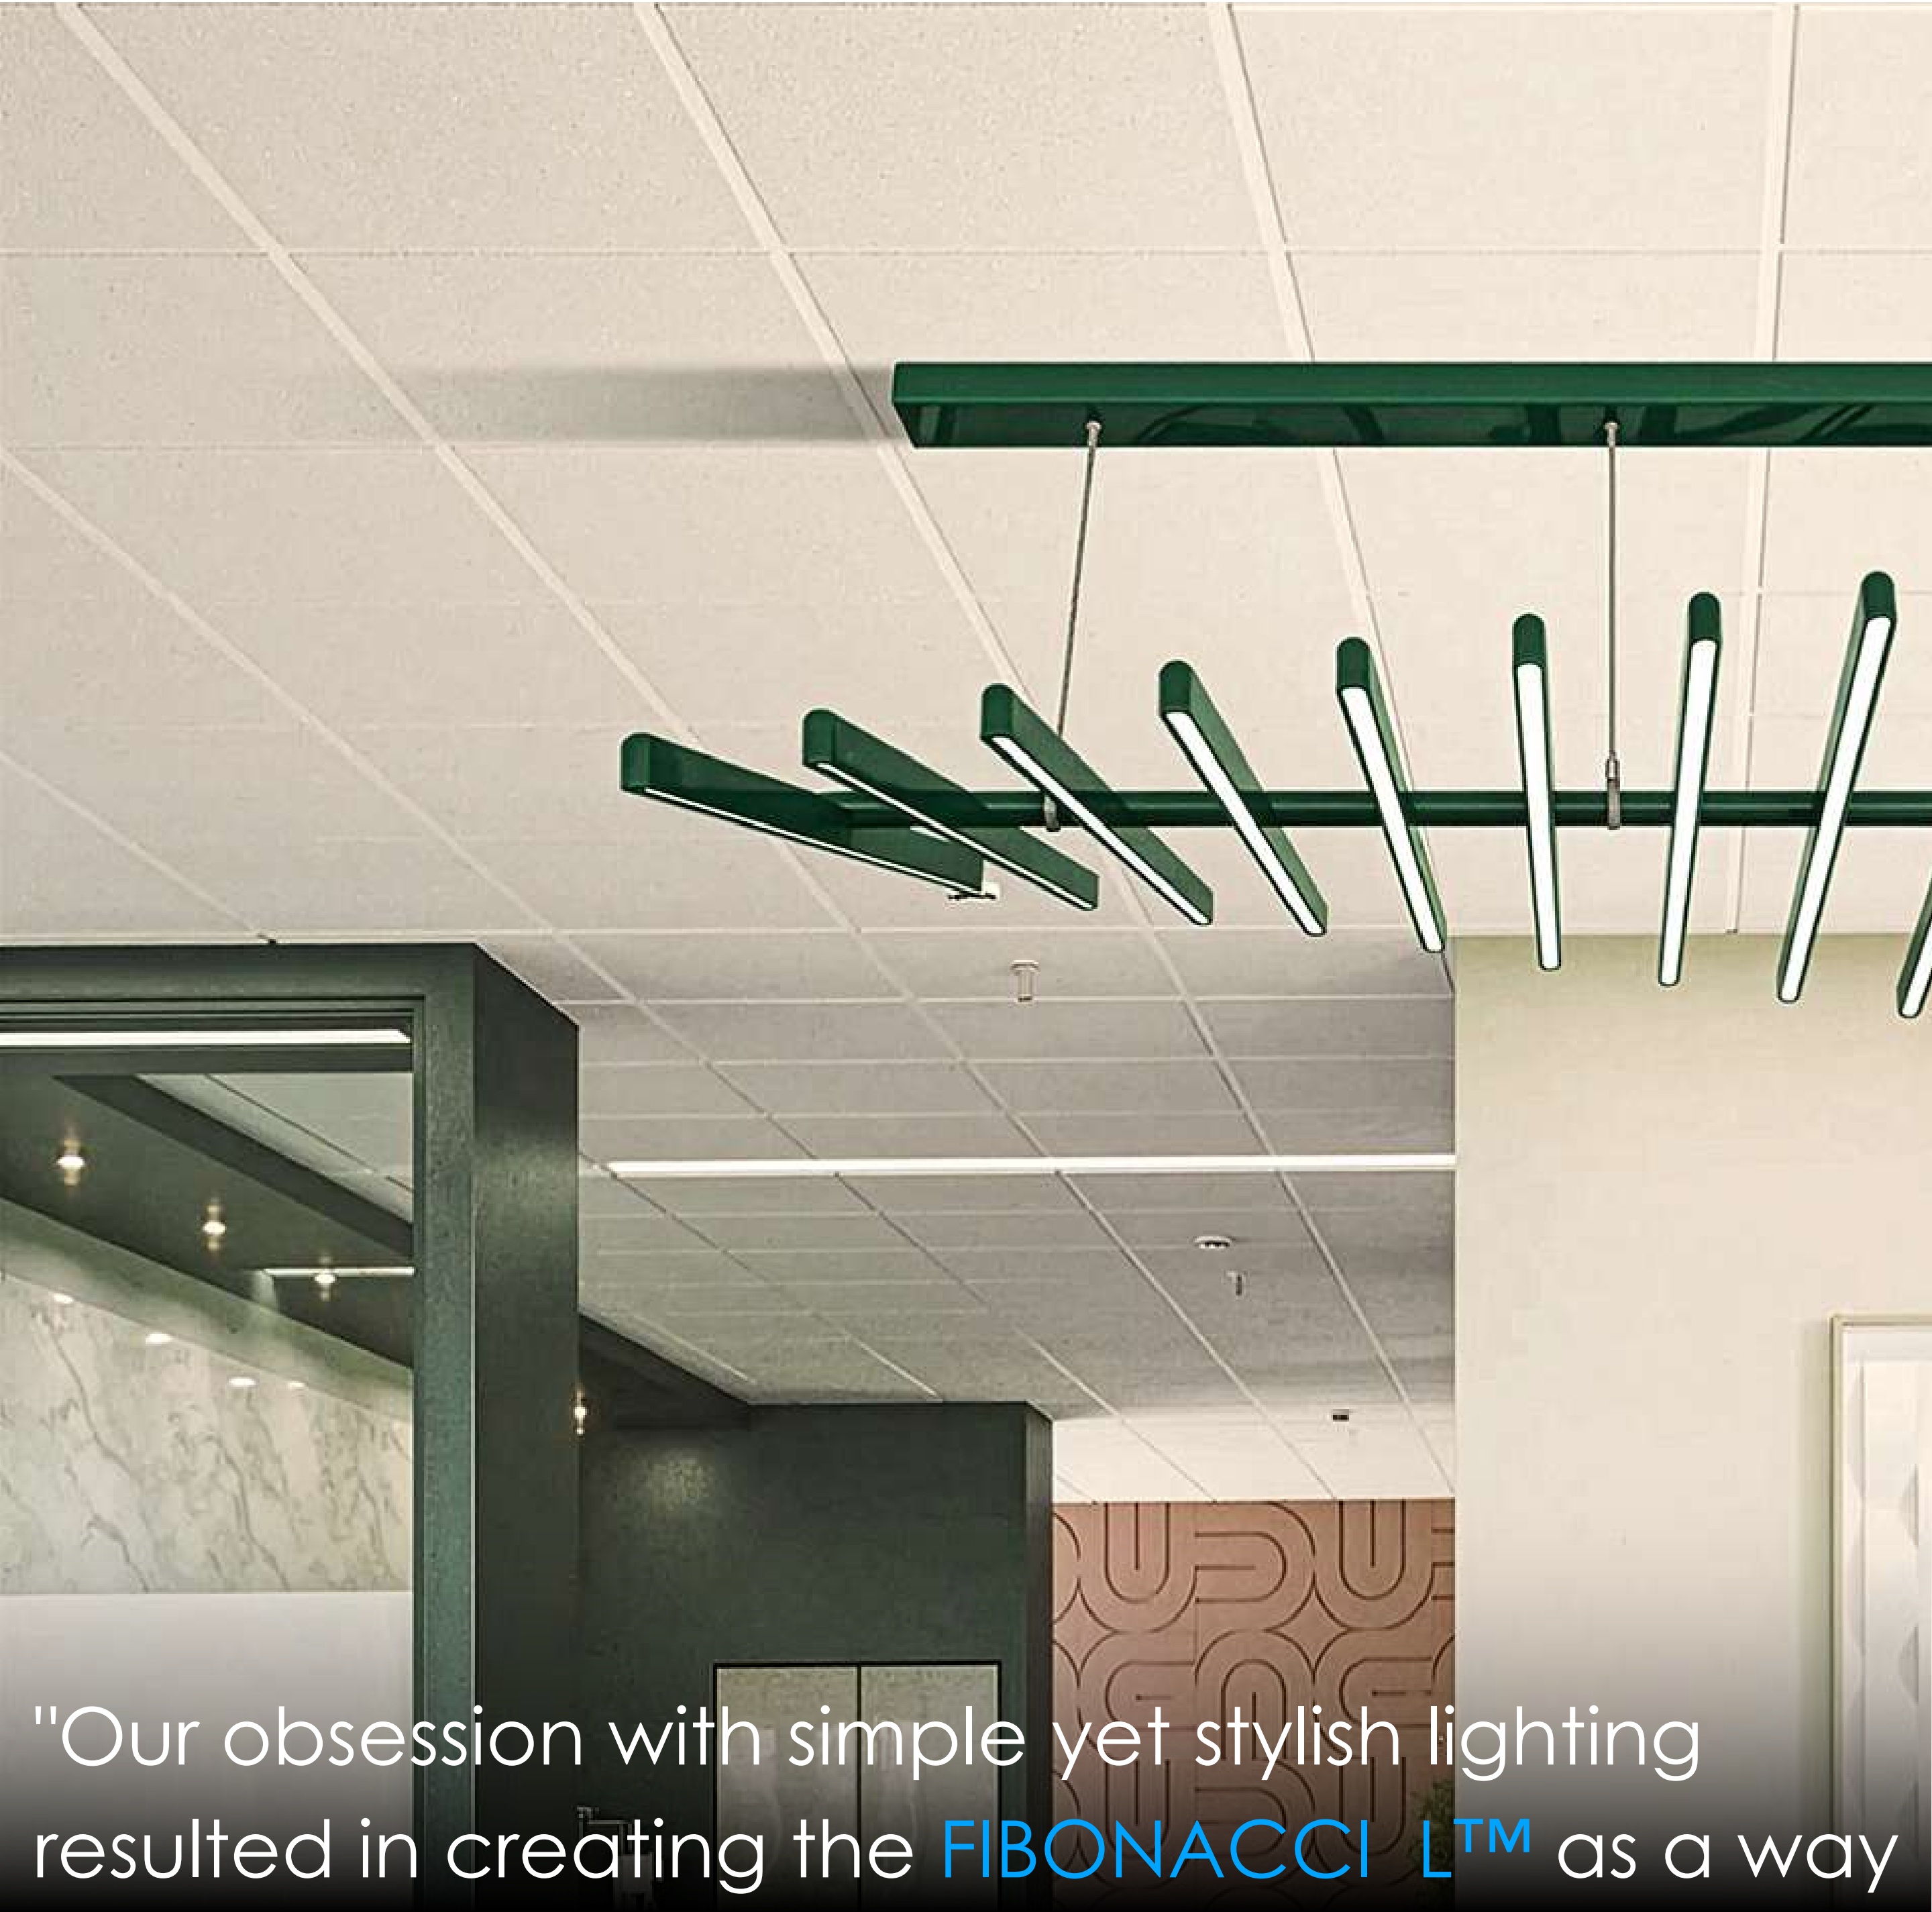

The FIBONACCI LTM Pendant Light

The **FIBONACCI LTM** conquers mediocrity and boring when it comes to interior lighting. This fixture is the solution to creative lighting for spaces that are often synonymous with relatively plain and reserved lighting. When it comes to establishing a sense of creativity, unique style, and consistently reliable luminance, the **FIBONACCI LTM** is your guarantee.

The **FIBONACCI L™** is the stylish improvement that your corporate workspace needs to stay current and luminant. Key features of the **FIBONACCI L™** are:

- The **FIBONACCI L™** is powerful. A considerable lumen output of 16,800 makes this fixture and absolutely dominant addition to your environments need for proper light output.
- The added bonus of **Power Over Suspension** as an option ensures that this fixture is up to date with current advancements in lighting technology, design, and manufacturing. Less cords but the same power is a win-win for you.
- A wide variety of both standard and premium finishes gives you the ability to customize the look of your **FIBONACCI L™** in such a way to bring an even more appealing aesthetic to your space.

Meeting Room | Office Tower | Open Concept

"Our obsession with simple yet stylish lighting resulted in creating the **FIBONACCI L™** as a way for us to show that even in simplicity, creativity, and improvisation are paramount."
